

RESOLUTION AUTHORIZING THE CITY OF WINSTON-SALEM TO PARTICIPATE IN THE SUBMISSION OF A CHOICE NEIGHBORHOODS PLANNING GRANT WITH THE HOUSING AUTHORITY OF WINSTON-SALEM

WHEREAS, in 2013, the Housing Authority of Winston-Salem (HAWS) was awarded a Choice Neighborhoods Planning Grant from the U.S. Department of Housing and Urban Development (HUD); and

WHEREAS, HAWS used this grant to develop a Transformation Plan for the Cleveland Avenue Corridor; and

WHEREAS, HAWS in 2016 and 2017 applied for \$30,000,000 in Choice Neighborhoods Implementation Grant (“CNI”) funding in order to begin implementation of the Transformation Plan that was developed after award of the Choice Neighborhoods Planning Grant in 2013 but was not awarded the grant; and

WHEREAS, HAWS is submitting an application for \$30,000,000 in 2018 Choice Neighborhoods Grant funding; and

WHEREAS, HAWS is seeking to secure a commitment from the city on items related to its pursuit of the Choice Neighborhoods Implementation Grant; and

WHEREAS, first, HAWS requests that the City adopt a resolution and sign the grant application agreeing to participate as a co-applicant on the application; and

WHEREAS, second, HAWS requests that the City execute a letter (drafted by HAWS and revised without limitation by the City) outlining the City’s capability to serve as the “Neighborhood Lead” in the event that the grant is awarded; and

WHEREAS, the “Neighborhood Lead” is the entity responsible for overseeing the “community improvement” projects that get funded through the grant – for example,

streetscape modifications, park rehab and development, etc.; and creating the conditions necessary for public and private reinvestment in the Transformation Plan area;

WHEREAS, third, HAWS requests that the City execute a HUD Certificate of Consistency form acknowledging the Cleveland Avenue Corridor’s consistency with the Consolidated Plan; and

WHEREAS, HAWS requests the City consider other “optional” City actions that are not a requisite for submission, but would garner additional points and make the grant more competitive:

- Evidence of expenditure in the previous three years, or firm commitments, within the CNI target area in the amount of \$20MM or more from public and/or private investment;
- Recommitment of a \$3 million CDBG investment in Cleveland Avenue Homes and Fairview Landing/New Hope Manor, the CNI target area;
- Confirmation that \$37.55 million in 2014 Bonds for projects completed or underway in the CNI target area is part of the City’s leverage commitment;
- Confirmation that \$3 million in HOME funds will be allocated to local nonprofit developers for the development of 60 homes for ownership in the CNI target area; and
- Confirmation that \$13.475 million of 2018 Bonds (if approved) for development projected in the CNI target area is part of the City’s leverage commitment.

The commitments will be spread over the life of the grant term, which will be from July 2019 through July 2024. The CNI grant and \$3 million CDBG investment will only be expended in and confined to Cleveland Avenue Homes and Fairview Landing/New Hope Manor, the CNI project site.
