**CITY OF WINSTON-SALEM, NORTH CAROLINA**  
**TAXABLE GENERAL OBLIGATION BONDS, SERIES 2026A**

Sealed and electronic bids (as described below) will be received until **11:00** a.m., North Carolina Time, June 2, 2026, by the undersigned at its office 3200 Atlantic Avenue, Longleaf Building, Raleigh, North Carolina 27604, at which time and place such bids will be opened in public at said time and place on said day, for the purchase of \$2,000,000 Taxable General Obligation Bonds, Series 2026A (the “Bonds”) of the City of Winston-Salem, North Carolina (the “City”). The Bonds will be dated their date of delivery and mature annually, June 1 \$500,000 2027 to 2030, inclusive. There will be no auction.

Proposals may be delivered by hand or by mail or electronic proposals may be submitted via BIDCOMP/PARITY in the manner described below, but no proposal shall be considered which is not actually received by the Local Government Commission (the “Commission”) at the place, date and time appointed. The State Treasurer is not responsible for any failure, misdirection or error in the means of transmission selected by any firm submitting a proposal.

The City reserves the right to change, cancel or reschedule, from time to time, the date or time established for the receipt of bids and will undertake to notify registered prospective bidders via notification published on BiDCOMP/PARITY, or by other means as necessary. The City may change the scheduled delivery date for the Bonds by notice given in the same manner as that set forth for a change in the date for the receipt of bids.

To the extent any instructions or directions set forth in BiDCOMP/PARITY conflict with this Notice, the terms of this Notice shall control. For further information about BiDCOMP/PARITY, potential purchasers may contact BiDCOMP/PARITY at (212) 849-5021. Each prospective purchaser is solely responsible for making necessary arrangements to access BiDCOMP/PARITY for purposes of submitting its proposal in a timely manner and in compliance with the Notice of Sale. The terms of this Notice and the sale of the Bonds are governed by North Carolina law.

The Commission does not have a registration process for potential purchasers. Prospective purchasers who intend to submit their proposal by BiDCOMP/PARITY must register and be contracted customers of Ipreo LLC’s BiDCOMP competitive bidding system before the sale. By submitting a proposal for the Bonds, a prospective purchaser represents and warrants to the State Treasurer that such financial institution’s proposal is submitted for and on behalf of such institution by an officer or agent who is duly authorized to bind the prospective purchaser to a legal, valid and enforceable contract for the purchase of the Bonds. **Neither the State Treasurer nor the City have reviewed or verified the accuracy or completeness of the information contained in BiDCOMP/PARITY and assume no responsibility for the accuracy and completeness of such information.**

The Bonds will be general obligations of the City, all the taxable real property within which will be subject to the levy of *ad valorem* taxes, without limitation as to rate or amount, to pay the principal and interest on the Bonds.

The Bonds will be issued by means of a book-entry system with no physical distribution of Bond certificates made to the public. One Bond certificate for each maturity will be issued to The Depository Trust Company in Jersey City, New Jersey (“DTC”), and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Bonds in principal amounts of \$5,000 or integral multiples thereof, with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. The successful bidder, as a condition to delivery of the Bonds, shall be required to deposit the Bond certificates with DTC, registered in the name of Cede & Co.

Interest on the Bonds will be payable semiannually on each June 1 and December 1, beginning December 1, 2026, and principal of the Bonds will be paid annually on June 1, as set forth in the foregoing maturity schedule to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The principal and interest on the Bonds will be payable to owners of Bonds shown on the records of DTC at the close of business on the 15<sup>th</sup> day of the month (whether or not a business day) preceding an interest payment date or a Bond payment date. The City will not be responsible or liable for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City fails to identify another qualified securities depository to replace DTC, the City will authenticate and deliver replacement Bonds in the form of fully registered certificates.

The Bonds will not subject to call and redemption prior to their maturities.

Bidders are requested to name the interest rate or rates, in multiples of 1/100 of 1%, and each bidder must specify in its bid the amount and the maturities of the Bonds of each rate. Any number of interest rates may be named, with a minimum rate of 0.5% and a maximum rate of 5.5%, provided the difference between the lowest and highest rates named in the bid shall not exceed 3%. All Bonds maturing on the same date must bear interest at the same rate, and the interest rate on any Bond shall be the same throughout its life. No bid for less than all the Bonds offered or for less than 100% of the aggregate principal amount of the Bonds plus accrued interest, if any, will be entertained. The Bonds will be awarded to the bidder offering to purchase the Bonds at the lowest interest cost to the City, such cost to be determined in accordance with the true interest cost (TIC) method by doubling the semiannual interest rate, compounded semiannually, necessary to discount the debt service payments from the interest payment dates to the proposed delivery date, June 23, 2026, and equal to the price bid. In the event of more than one bid with the same lowest TIC, the Commission shall select the winning bidder by lot in such manner as the Commission and the City may determine, such determination shall be conclusive.

**As promptly as reasonably practicable after the bids are opened, the Commission will notify the bidder to whom the Bonds will be awarded, if and when such award is made, and, as described below, such bidder, upon such notice, shall advise the Commission by telephone of the initial offering prices and yields to the public of each maturity of the Bonds and shall, within 30 minutes, confirm that information by electronic mail or facsimile transmission. Such offering prices and yields, among other things, will be used by the City to calculate the final aggregate principal amount of the Bonds and the final principal amount of each maturity of the Bonds. It is anticipated that the final aggregate principal amount of the Bonds and the final principal amount of each maturity of the Bonds will be communicated to the successful bidder by 5:00 p.m., North Carolina Time, on the date of the sale.**

Bidders may contact First Tryon Advisors LLC, Charlotte, North Carolina, at 704-926-2981 (Attention: Brandon DeCoste) for more information.

Each bid delivered by hand or mail must be submitted on a form to be furnished with additional information by the undersigned and must be enclosed in a sealed envelope marked "Bid for Bonds, Series 2026A (City of Winston-Salem)." A good faith deposit (the "Deposit") in the amount of **\$40,000** will be required for each bid. The Deposit may be submitted in the form of an official bank check, a

cashier's check or a certified check upon an incorporated bank or trust company payable unconditionally to the order of the State Treasurer of North Carolina accompanying the bid. Alternatively, the successful bidder's Deposit may be a wire transfer upon initial notification of the award of the Bonds. Award or rejection of bids will be made on the date above stated for receipt of bids, and any checks of unsuccessful bidders will be returned immediately. If the Deposit of the successful bidder is provided by check, the check of the successful bidder will be cashed by the State Treasurer. If the Bonds are awarded to a bidder whose Deposit is by wire transfer, the successful bidder must submit its Deposit to the State Treasurer not later than 2:00 P.M. North Carolina Time on the date of the award of the Bonds, to the bank account instructed to the successful bidder by the State Treasurer during the initial notification of the award. If the Deposit is not received by that time, the Commission will reject its award to the initial successful bidder, and will contact the next lowest bidder and offer said bidder the opportunity to become the successful bidder, on the terms as outlined in said bidder's bid, so long as said bidder submits a good faith wire within two hours of the time offered. The Commission will not award the Bonds to the successful bidder absent receipt of a good faith deposit prior to awarding the Bonds. The Deposit of the successful bidder will be invested solely for the benefit of the City, and no interest on the Deposit will accrue to the successful bidder. At closing, the principal amount of the Deposit will be applied, without interest, as partial payment for the Bonds. In the event that the successful bidder fails to comply with the terms of its bid, the Deposit and any interest earnings will be retained as and for full liquidated damages. If the City fails to deliver the Bonds, then the Deposit and any interest earnings will be remitted to the successful bidder as and for full liquidated damages.

The CUSIP Services Bureau will be requested to assign CUSIP identification numbers to the Bonds. Assignment of the CUSIP identification numbers is solely with the discretion of the CUSIP Services Bureau, and neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser thereof to accept delivery of or pay for the Bonds in accordance with the terms of its bid. All expenses in relation to the printing of CUSIP numbers on the Bonds and the CUSIP Service Bureau charge for the assignment of said numbers shall be paid for by the City.

**The Bonds will be delivered on or about June 23, 2026, against payment therefor in Federal Reserve funds.**

The approving opinion of Parker Poe Adams & Bernstein LLP, Raleigh, North Carolina, Bond Counsel for the City, the proposed form of which appears in the Official Statement relating to the Bonds, will be furnished without cost to the purchaser. In this transaction Parker Poe Adams & Bernstein LLP will serve only as bond counsel to the City and will not represent any bidder or the purchaser of the Bonds. There will also be furnished the usual closing papers.

**Interest on the Bonds is taxable as ordinary income for purposes of federal income taxation.**

The right to reject all bids and to waive any irregularities or informalities is reserved.

The City has in the Bond Resolution undertaken, for the benefit of the beneficial owners of the Bonds, to provide the information under the caption "CONTINUING DISCLOSURE" in the Official Statement in the manner provided therein.

Copies of the Preliminary Official Statement and the Notice of Sale and Bid Form relating to the Bonds may be obtained from the Commission, 3200 Atlantic Avenue, Longleaf Building, Raleigh, North Carolina 27604 (919-814-4300).

The Preliminary Official Statement is deemed to be a final official statement within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") except for the omission of

certain pricing and other information to be made available to the successful bidder by the Commission in a Final Official Statement. The City has agreed in the Bond Resolution to provide such information to such persons as is necessary for the successful bidder to comply with the provisions of the Rule.

By the submission of a bid for the Bonds, the successful bidder contracts for the receipt of up to 100 copies of the Final Official Statement to the successful bidder on or before June 11, 2026. In order to complete the Final Official Statement, the successful bidder must furnish on behalf of the underwriters of the Bonds the following information to the Commission by facsimile transmission (919-855-5812) or overnight delivery received by the Commission within 24 hours after the receipt of bids for the Bonds:

- a. Initial Offering Prices (expressed as a price exclusive of accrued interest, or yield per maturity).
- b. Selling compensation (aggregate total anticipated compensation to the underwriters expressed in dollars).
- c. The identity of the underwriters if the successful bidder is a part of a group or syndicate.
- d. Any other material information necessary for the Final Official Statement but not known to the City or the Commission (such as the bidder's purchase of credit enhancement).
- e. The successful bidder must provide the initial public offering prices, as the City will not include in the Official Statement an "NRO" ("not reoffered") designation to any maturity of the Bonds.

Concurrently with the delivery of the Bonds, the City Manager of the City will deliver to the purchaser of the Bonds a certificate stating that, to the best of their knowledge, the Preliminary Official Statement did not, as of its date and as of the sale date and the Final Official Statement does not, as of the date of delivery of the Bonds, contain an untrue statement of a material fact or omit to state a material fact required to be included therein for the purpose for which the Preliminary Official Statement or the Final Official Statement is to be used or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading, provided such certificate shall not include consideration of information supplied by, or which should have been supplied by, the successful bidder for the Bonds.

In addition, concurrently with the delivery of the Bonds, the Secretary or Deputy Secretary of the Commission will deliver to the purchaser of the Bonds a certificate stating that nothing has come to her attention which would lead her to believe that the Preliminary Official Statement, as of its date and as of the date of sale, and the Final Official Statement as of the date of delivery of the Bonds, contains an untrue statement of a material fact or omits to state a material fact required to be included therein for the purpose for which the Preliminary Official Statement or the Final Official Statement is to be used or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, provided such certificate shall not include consideration of information supplied by, or which should have been supplied by, the successful bidder of the Bonds.
