Re: Neighborhood Outreach Summary for 1460 Old Salisbury Road

Case: 1741288

Per the City of Winston-Salem's requirements for rezoning notifications near residential properties, we conducted the following neighborhood outreach for the proposed development at 1460 Old Salisbury Road:

On June 16, 2025, we mailed notification letters to all 24 surrounding property owners within the required radius. These letters detailed the nature of the proposed development and provided contact information for questions or concerns. As of this date, no responses have been received from residents, though we remain available to address any inquiries that may arise.

This outreach fulfills the city's requirement for communication with adjacent residential properties under Section [Insert Relevant Ordinance Section if known] of Winston-Salem's zoning regulations.
