

**RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH LANDMARK BUILDERS FOR THE ACCEPTANCE OF FUNDS TO RELOCATE THE EXISTING TRAFFIC SIGNAL CONTROL CABINET AT THE INTERSECTION OF FOURTH STREET AND PATTERSON AVENUE**

**WHEREAS**, Landmark Builders has requested that the traffic signal control cabinet at Fourth Street and Patterson Avenue be relocated because the existing traffic signal cabinet is prohibiting the aesthetics and access to the proposed development; and

**WHEREAS**, the Department of Transportation staff recommends that this work be performed by Traffic Field Operations (TFO) given that the equipment has been under city maintenance for over four years and cannot be placed under warranty; and

**WHEREAS**, the estimated cost for the relocation of the existing traffic signal control cabinet is \$9,679.05.

**WHEREAS**, Landmark Builders has agreed to pay the full cost of the relocation.

**NOW, THEREFORE, BE IT RESOLVED** that the Mayor and the City Council of the City of Winston-Salem, upon the recommendation of the Finance Committee, do hereby authorize the City Manager and City Secretary to enter into an agreement with Landmark Builders for the acceptance of funds to relocate the traffic signal cabinet at the intersection of Fourth Street and Patterson Avenue.
