Thanked Council Member Adams for her support. He is a new Pastor in Winston-Salem and he requested the City donate abandoned houses to his church to be used for rehabilitating inmates. Jacob's House would be a place for inmates to live and learn job skills.

**Sue Williams PO Box 24212, Winston-Salem 27114**

Speaking in regards to the offensive odor from the treatment plant on Griffith Road. She stated she has to keep her apartment closed up and run her air conditioning all the time resulting in a high utility bill. She suffers from watery eyes, headaches, nausea, has to use inhaler and is unable to eat. Encouraged Council to ensure staff replaces faulty parts promptly as this has been ongoing since March of this year.

Spoke on behalf of "Speak Out for Circus Animals" whose mission is to ban wild circus animals in the Triad. Although the group doesn't want all circuses be shut down, it does want all circuses be animal free. Petitions with more than 2000 signatures have been submitted by compassionate people in the Triad to ban circuses.
