Why are you interested in serving?

Beginning in July of 2024, I served on the W-S/Forsyth County Organized-Led Projects committee, where the Winston-Salem Forsyth County Public Art Commission invited nonprofit organizations to make proposals for

---

public art projects within the City of Winston-Salem. Through application reviews, I worked with committee members to ensure that proposals aligned with PAC's mission to cultivate innovative, dynamic, and engaging public art that will illuminate the perspectives, relationships, and narratives of our community. Additional duties included evaluating the project budget and evaluating images of proposed sites, CVs, and past work. As a native Winston-Salem artist, I am committed to the beautification and support of artists in my community through public art advocacy.
