Thank you Mr. Howard,

I sent letters to property owners within a 500 ft radius as determined on an online map on July 9th 2024, approximately 13 different buildings, informing them of my desire to rezone my property to be 100% GO. I heard back from one person, who was more curious about what my plans were for the property, and expressed a desire to have similar design elements to other buildings on Old Mill Circle.

If I receive any more feedback by the end of the day (which I also had as the deadline to contact me with concerns on my letter), I will certainly update you. I look forward to the meeting on August 8th.

Thanks!

Good morning Mr. Bartholomew,

I hope you're doing well.

I just wanted to remind you that your Community Outreach Summary, which you can email to me, is due by the end of the day tomorrow. This is just a summary of how you conducted your outreach, if you get any responses, and what the responses entailed. It does not have to be long-a brief description will do.

Thank you!
