

To whom it may concern,

Due to the lack of parking in the Trade Street area,
Property Owner fully support(s) Prime Parking Inc.'s proposal to
operate a valet lane using the metered spaces located directly in front of
529 Trade Street from 5PM - 11PM from Tuesday - Saturday.

With a valet lane in place, we believe people would have much easier access
to downtown. This service will make the downtown area more appealing
and will allow for further growth in the city of Winston-Salem.
