Memorandum

TO: Lee D. Garrity, City Manager
FROM: Ken Millett, Office of Business Inclusion and Advancement Director
DATE: August 15, 2018
SUBJECT: YouthBuild Grant Update
CC:

In response to feedback provided by Council Members during the August 13th Finance Committee meeting, the Council Action Request Form and Resolution related to the pending YouthBuild grant application have been modified.

Both documents now reference the proposed in-demand industry tracks that—in addition to construction—would be offered through the YouthBuild program: healthcare, transportation and logistics, advanced manufacturing, and aviation.

Details of the 25% match from the City have also been updated. The match will be sourced from a combination of Housing Finance funds, other local sources, and in-kind services. Housing Finance funds would be utilized only for housing/construction related programs.
