Summary of Information:

At its August 17, 2015 meeting, the City Council, pursuant to Chapter 42, Article IV, Section 42-173, approved the petition of the Stonewall Community Association, Inc. for designation of the entire Stonewall neighborhood as a no parking on the lawn area. The Stonewall neighborhood is in the North Ward. Per the City Code Section 42-173(b)(3) approved no parking on the lawn areas shall be reviewed every two years following adoption for consideration of continued approval.

Periodic Review

The neighborhood association requests continuation of the no parking on the lawn area designation. (Enforcement stats & explanation). The Resolution indicates that after the required periodic review by Section 42-173(b)(3), the designation of the entire Stonewall Neighborhood as a no parking on the lawn area shall continue. Since approval of the no parking on the lawn ordinance, less than five complaints have been received for the Stonewall Neighborhood. Of those complaints, two were found to be violations.

Neighborhood Description Amendment

The Stonewall Neighborhood's description contained in City Code Section 42-173(i)(1) inadvertently left off a short cul-de-sac street, Antietam Court. The proposed code amendment includes all properties located in the 3600 block of Antietam Court, as identified in the included map of the neighborhood.
