Subject: [EXTERNAL] Case number W-3527

Mr. Reed-

I am writing to express that I DO NOT support the rezoning of the residential house located on the curve at Acadia St./Salisbury Ridge Rd. in the Washington Park neighborhood, case #W-3527. I live in this neighborhood, about 2 blocks away.

While I believe that the Flour Box Tearoom is a lovely restaurant owned by lovely people, this location is not in our business district and the business district should not be extended when there are already unused buildings in the district that could be used for the purposes of a restaurant.

Please, do not let this happen. It's a terrible idea and they should find another location in an area already zoned for business. With the difficulty in finding affordable housing, you know that once a house gets rezoned, the surrounding houses will fall to the same fate.

Thank you,
S. G. Hunter
