Applying for Board/Commission (Enter One):	Public Arts Commission
What Board or Commission are you currently serving?	<i>Field not completed.</i>
Why are you interested in serving on that Board/Commission?	I have been working in the museum field for over 30 years, specifically in contemporary art. I have always had an abiding respect and love for public art. Good public art reflects the beliefs, values and norms for that city. It should teach, inspire and uplift all corners of that community. But public art from a municipal perspective, isn't all about display just like a museum isn't all about paintings in a gallery. It's also about the preservation of that work, as well as it's interpretation, protection and conservation. I feel my experience in the museum field can help the commission with it's decision making process not only from a social and aesthetic standpoint, but from a technical and practical angle as well.
