

## City Council – Action Request Form

**Date:** May 21, 2019

---

**To:** Mayor, Mayor Pro Tempore, and Members of the City Council

---

**From:** Damon Dequenne, Assistant City Manager  
Joseph Sloop, Geographic Information Officer

**Council Action Requested:**

Ordinance Authorizing for the Renaming of Keil Drive to Kilby Road. (North Ward)

**Strategic Focus Area:** Quality Transportation  
**Strategic Objective:** No  
**Strategic Plan Action Item:** No  
**Key Work Item:** No

**Summary of Information:**

MapForsyth Addressing Team is requesting that Keil Drive be renamed Kilby Road. The three residents on this road are currently using Kilby Road as their address. This renaming will clear up any confusion as to which name is to be used. Plat book 19 page 95 was recorded in May of 1958 that named Keil Drive. In March of 2019 the MapForsyth Addressing Team was contacted about the addresses on Keil Drive. After researching the addresses none of the property owners that owned lots on Keil Drive used Keil Drive as their address. Changing this road to Kilby Road is in compliance with our Addressing and Street Naming Guidelines and Procedures Manual.

Following a public hearing, staff recommends the Council adopt the attached ordinance approving this request.
