

## City Council – Action Request Form

**Date:** April 20, 2020

**To:** Mayor, Mayor Pro Tempore, and Members of the City Council

**From:** Evan Raleigh, Assistant City Manager

**Council Action Requested:**

Resolution Authorizing M/WBE Goals to be Set Below the 10% Minimum Goal for the On-Call Concrete Repairs Project

**Strategic Focus Area:** Economic Vitality and Diversity

**Strategic Objective:** No

**Strategic Plan Action Item:** No

**Key Work Item:** No

**Summary of Information:**

The City's Internal M/WBE Committee met to identify subcontracting opportunities for the On-Call Concrete Repairs Project. After reviewing the scope of work, and discussing the project specifications, it was determined that due to the project structure as an on-call or emergency contract, subcontracting opportunities would vary significantly depending on the need. It is also likely that a minority or woman-owned firm could self-perform the entire project. A local MBE performed this work under the previous contract.

It is the recommendation of the City's Internal M/WBE Committee that the M/WBE participation goals be set at 0% MBE and 0% WBE.
