**Subject:** [EXTERNAL] WSNA Public Comment on W-3527--Acadia/Salisbury Ridge Zoning Case for May 12, 2022 Planning Board Meeting

**Importance:** High

Dear Planning Board members:

The Winston-Salem Neighborhood Alliance (WSNA) would like to express its support for a recommendation of denial in case W-3527 on Salisbury Ridge Road from RS7 to NB-S. WSNA agrees with the Planning Staff's assessment that commercial zoning in this all-residential area is inconsistent with the area plan. WSNA continues to support the efforts of Washington Park to maintain its integrity and cohesiveness, and we believe that commercial zoning in this location could undermine that integrity by leading to other similar requests that are incompatible with the residential character of the area.

Sincerely yours,

Carolyn Highsmith

On behalf of the W-S Neighborhood Alliance (WSNA); WSNA Zoning Committee

President, Konnoak Hills Community Association

Vice President, New South Community Coalition
