Dear Commission Members:

I am writing to request the track at Hanes Park be named in memory of Bob Sosnik, who was very instrumental in the early years of the Twin City Track Club. He helped build many of the foundations that have enabled long-term success of Twin City Track Club and the advancement of Winston-Salem as a role model city for running and fitness.

I have contacted the stakeholders involved in the Park, and the request has been met warmly. I would appreciate your assistance in this effort.

Thank you.

Sincerely,

Jeff MacIntosh
Council Member, Northwest Ward
