When seconds count, the ability for first responders to find the correct address can truly make a difference. In October, to coincide with Fire Prevention Month, the Winston-Salem Fire Department will begin an initiative to provide free, reflective address numbers. This initiative is for occupied single-family residential property within the City Limits. Address numbers will be mailed to owners or occupants upon receipt of a telephone or online request.

House numbers provided will adhere to guidelines stated in City Code, **Sec 74-57, Display of address numbers.**
