**Summary of Information:**

The Federal Transit Administration (FTA) Section 5307 funds are appropriated to urban areas with more than 200,000 in population and are used for operating and capital assistance.

The Winston-Salem Urban area has received a full appropriation of the FTA FY 2023 Section 5307 Formula funding in the amount of \$6,814,898 for FY 2023. The City of Winston-Salem is the designated recipient of this funding for the Winston-Salem Urban area. At the May 2023 Transportation Advisory Committee (TAC) meeting, the Winston-Salem Urban Area TAC approved the 2023 apportionment to the three eligible sub-recipients and for JARC agencies for funding: the Winston-Salem Transit Authority receives \$5,756,526; the Piedmont Authority for Regional Transportation (PART) receives \$758,596; Davidson County Transportation receives \$244,776, and JARC agencies receive \$55,000.

As a proposed direct recipient of FTA funding, Davidson County Transportation is eligible to apply directly to FTA for its portion of the Section 5307 funds if the City of Winston-Salem issues a sub-allocation or split letter so that they can apply to receive these funds.
