Subject: [EXTERNAL] Zoning docket W-3482

Hello Mr. Roberts,

My name is Tim Smith my wife and I own;

REID 6864038941000

PIN # 6864-03-8941

Location Address

0 Glenn Hi RD

I grew up at 3982 Glenn High Road.

I will not be able to attend the meeting.

Property Description

L0008H BL2633

I oppose the additional mobile homes. These are the reasons.

People from the park have walked thru our property many times. Mostly after school.

Trash has been dumped on what is now Dept of transportation property, it is still there. And trash that for years we have had to clean up that has blown on our property from the park.

The police get called out to the park often.

Adding more trailers will lower the value of our property.

My aunt has had many things stolen from her property years ago. I have not, but try not to keep anything of value on my property. She is at 4000 Glenn High Road.

Thankyou,

Tim
