

Information Item

Date: February 12, 2018

To: The City Manager

From: Damon Dequenne, Assistant City Manager
Toneq' McCullough, Director of Transportation

Subject:

Pedestrian Crash Data and Analysis

Strategic Focus Area: Quality Transportation
Strategic Objective: Improve Integrated Road Network
Strategic Plan Action Item: No
Key Work Item: No

Staff was asked to prepare a report on traffic crashes involving pedestrians to help identify priority improvements. Staff prepared three items to assist with this analysis and will be available to present information on the data, analytical techniques, and conclusions.

1. Density map of all pedestrian crashes for the years 2009 – 2018 with disabling injuries and fatalities highlighted
2. Table of pedestrian fatalities for the years 2009 – 2018 with date, location, and description
3. Table of pedestrian fatalities by day and time
