Neighborhood Outreach Report**

On December 4th, 2018 from 5:30pm to 7:30pm, a neighborhood drop-in meeting was held at Polo Park Community Center. Invitation letters were sent to 98 property owners within 500 feet of and beyond the subject site. Three (3) neighbors attended the drop-in meeting. Additionally, an aerial exhibit displaying the site location and two (2) color plans were shared with each attendee. Overall, one attendee was supportive of the development and the other two expressed their concerns of more development in the area and the impact on the environment.
