

City Council – Action Request Form

Date: April 12, 2021

To: Mayor, Mayor Pro Tempore, and Members of the City Council

From: Johnnie Taylor, Director of Operations
Keith Huff, Traffic Field Operations

Council Action Requested:

Consideration of Items Relating to the Old Salisbury Road Failure Project (South Ward)

Strategic Focus Area: Quality Transportation

Strategic Objective: Improve Integrated Road Network

Strategic Plan Action Item: Yes

Key Work Item: No

Summary of Information:

Old Salisbury Road between Gyro and Brewer is experiencing embankment subsidence and pavement deterioration. On March 10, 2021 staff were alerted to a small crack in the pavement at this location. While monitoring this location, it was determined that deterioration rate was increasing rapidly. Accordingly, staff had to close Old Salisbury Road on March 25, 2021 to all vehicular traffic. Appropriate detour signage and route the closure notifications to the appropriate entities were completed.

Considering the large volume of traffic on Old Salisbury Road it is recommended that funding be allocated for a geotechnical investigation, field survey and engineering design for this road segment (see photos).

The attached resolution and project budget ordinance requests transfer of Powell Bill Funds, in the amount of \$160,000 for the investigation and design of the Old Salisbury Road failure project.

Committee Action:

Committee	<u>Finance 4/12/2021</u>	Action	<u>Approval</u>
For	<u>Unanimous</u>	Against	<u></u>
