Date: October 10, 2023

To: Mayor, Mayor Pro Tempore and Members of the City Council

From: Aaron King, Assistant City Manager
Jeff Fansler, Director of Transportation

Council Action Requested:

Ordinance Amending Section 42-154 (d) of the City Code Relating to Handicap Parking on City Streets.

Strategic Focus Area: Quality Transportation
Strategic Objective: Improve Integrated Road Network
Strategic Plan Action Item: No
Key Work Item: No

Summary of Information:

After review of the latest amendment to Section 42-154 of the Winston-Salem Code of Ordinances, discrepancies were found regarding approved on-street handicap parking designations. Due to drafting errors, the Winston-Salem Department of Transportation recommends repealing Section 42-154 (d) in its entirety and replacing the same as shown on the attached Ordinance. The amendment codifies the last three spaces, (18), (19) and (20) that staff intended for City Council to approve earlier.
