PURPOSE

The purpose of the Council is to give the youth an opportunity to become more aware of local government and become involved in the community by participating in community activities a minimum of 40 hours each year.

MISSION

Serve as a conduit between city government and younger constituents. The Youth Council's core focus is youth civic engagement by way of community programming, youth-oriented activities, contribution of at least 40 volunteer hours per school year to government-related initiatives, projects, and programs, dissemination of information to the community regarding topics that are important and relevant to the youth in our community, and to advise the City Council and the Human Relations/Diversity, Equity and Inclusion Department on matters that relate to the community's youth population.

HISTORY

In March of 1989, the former Winston-Salem City Council unanimously approved a resolution to establish a Youth Advisory Council. The purpose of the Youth Advisory Council, as outlined in 1989, is to provide the City Council with recommendations on a variety of subjects and to give youth the opportunity to become more aware of local government. At that time, the City Council stated that the Youth Advisory Council should be diverse, inclusive, and representative of the Winston-Salem high school student population.

In May of 1989, nineteen members began a one-year term of service as the original Youth Advisory Council under the direction of the Recreation and Parks Department. In June of 2010, the Youth Advisory Council was reorganized under the Human Relations/Diversity, Equity, and Inclusion Department by resolution of the City Council.

DUTIES

- (1) Actively promoting the participation of the youth in city government programs and activities;
- (2) Promoting positive human relations among all youth;
- (3) Providing channels of communication among all populations;
- (4) Encouraging youth to become better trained and qualified for employment opportunities;
- (5) Performing duties consistent with general law as may be assigned it from time to time by the City Council; and
- (6) Performing such other duties as necessary to enforce the powers assigned to it.

THE COUNCIL'S RELATIONSHIP TO CITY GOVERNMENT

The government of the City of Winston-Salem and the general management and control of all its affairs are vested in the City Council and the Mayor. The City Council appoints the City Manager who is the administrative head of City government and is responsible for the administration of all departments of City government. The City Council is also the appointing authority for members of the Youth Advisory Council.

The Council keeps the City Manager and the City Council informed of its activities. To further that communication, the chairperson or a designated member of the Council shall appear annually before the City Council to provide them with information on the pulse of the youth community and a yearly progress report on Council programs and projects.

The Council makes recommendations to the City Council concerning projects and programs relevant to the youth of Winston-Salem.

THE COUNCIL'S RELATIONSHIP TO THE STAFF

The Council's relationship with the Human Relations/Diversity, Equity and Inclusion staff involves advising staff regarding youth-oriented and youth-developed programs, concerns, and issues. During the process of initiating programs and conducting youth outreach, the Youth Advisory Council calls on the staff for technical assistance and research into matters.

THE COUNCIL'S RELATIONSHIP TO THE COMMUNITY

The Youth Advisory Council is the body through which youth concerns can be relayed to City officials. The Youth Advisory Council brings information to its peers on the happenings of city government that pertain to the youth.

MANAGEMENT'S COMMENTS

WANDA ALLEN-ABRAHA, JD, SHRM-SCP

HUMAN RELATIONS/DIVERSITY, EQUITY, AND INCLUSION DEPARTMENT DIRECTOR

The Human Relations/Diversity, Equity and Inclusion Department is very pleased to serve as the administering department of the Winston-Salem Youth Advisory Council. The mission of the Youth Advisory Council (YAC) is to serve as a conduit between city government and younger constituents. The Youth Council's core focus is youth civic engagement by way of community programming and youth-oriented activities; a contribution of at least 40 volunteer hours per school year to government-related initiatives, projects, and programs; the dissemination of information to the community regarding topics that are important and relevant to the youth in our community; and to advise the City Council and the Human Relations Department on matters that relate to the community's youth population.

The YAC's purpose is to provide a venue for youth between the ages of 14-18 to have an active means of civic engagement in local government.

Although the YAC was established in 1989 under the leadership of Mayor Pro Tempore Vivian H. Burke, the Human Relations Department was designated as the administering department for the YAC in June 2010. Since that time, the YAC has been restructured in order to enhance its focus and goals. Specifically, each member of the YAC has been charged with fulfilling 40 hours of community service during the course of the school year. To that end, each month focuses on a different topic that relates to the YAC's mission and the community at-large. Topics have included civics, government, housing, and the environment.

The YAC has thrived this year and has established itself as a welcome youth voice in the community. Their hard work has been recognized by the Winston-Salem Foundation's Youth Grantmakers and the State of North Carolina by way of competitive funding for their annual project. We are excited to continue to see the YAC flourish in the future. Even in the face of the historic global COVID-19 pandemic, the YAC persevered with having virtual monthly meetings; being awarded a grant from the State of North Carolina Youth Council, and leading a successful annual youth community leadership project, which included organizing mental health care bags for high school students.

2022-2023 MAJOR PROGRAM /PROJECT HIGHLIGHTS

- **Annual Project:** The 2022-2023 Annual project was to recognize and bring awareness to National Youth Violence Prevention Week sponsored by the National Association of Students against Involvement Everywhere (SAVE) and Sandy Hook Promise. This week looks at the different instances of youth violence that have taken place over the past few years. YAC assembled youth mental health care bags and included a document with a list of resources for students to reference regarding this nationally recognized week. They also interview several community leaders including the mayor, sheriff and police chief, as well as other students, to create a Youth-focused PSA. The bags were distributed to schools and organizations that serve high-risk youth populations and the Youth PSA debuted during a Youth Trust Talks event that serves to establish relationships between law enforcement and the community.
- **State Youth Council Involvement:** The Youth Advisory Council applied for a State Youth Council state grant and was awarded \$500 to use towards their annual project. We had a group of members attend virtual conferences in the fall and seven YAC members attending the Spring Convention in Wilmington.

- **Human Relations Student Awards Banquet:** The 43rd Annual Human Relations Student Awards Ceremony was virtual this year. The Youth Advisory Council joined into the virtual fun by providing a congratulatory message. The Youth Advisory Council Chairperson gave a welcome to the audience.
- **City Officials:** Youth Advisory Council attends and observes two City Council meetings each year. They also attended two National League of Cities Congressional as youth delegates in Kansas City, MO and Washington, DC.
