Applying for Board/Commission (Enter One):	Bicycle / Pedestrian / Active Mobility Advisory Board
What Board or Commission are you currently serving?	None
Why are you interested in serving on that Board/Commission?	I am an e-bike commuter for 4 years who had sold their car after trying one. Having experienced this and getting many questions about it, I have been developing a program to help streamline people who are curious about commuting and get them the help they need to get them to consider micro-mobility options where able. I had been made aware of this board after talking at the latest planning meeting for the Amtrak discussion. I am someone who loves living in the city and getting people to experience it outside of a car. Helping people question forced car dependency helps us all out as I like helping people realize this in a way that does not alienate them.
Are you willing to serve on any other	No
