Subject: [EXTERNAL] Case W-3527 Flour Box Tea Room

Hello,

I wanted to send an email to show my support for this amazing establishment. I can't imagine how a wonderful business like this could possibly hurt any neighborhood it would be located in.

I personally have driven over an hour and a half from Shelby, NC to eat (and subsequently shop) in the neighborhood when this place was located inside of Old Salem. Now that I live in Lexington, I'd make even more frequent trips to whatever neighborhood this would be in.

Thank you!
