To whom this may concern,

On April 30, 2025 we delivered letters to our surrounding neighbors, inviting them to join our neighborhood meeting on May 7th, 2025 in hopes to express our proposition of rezoning our property; 1200 E Clemmons Rd Winston Salem NC 27107. We delivered over 35 letters allowing our community to voice any questions or concerns. Unfortunately we did not hear back from any of our neighbors nor did any make themselves present to the meeting. We also have not had anyone visit or contact us with any concerns.

Thank you,

Owners,
