**Subject:** [EXTERNAL] UDO-CC15-Accessory Dwelling Units

I am going to come out and say that I am not against this proposal, but it does raise some red flags. What is the need to change the existing wording? What is the goal?  
Where can I get access to this information? I would like access to both sides.  
If there is not a good place to find this information, what is the rush?

Thank you
