

North Carolina Metropolitan
MAYORS
COALITION

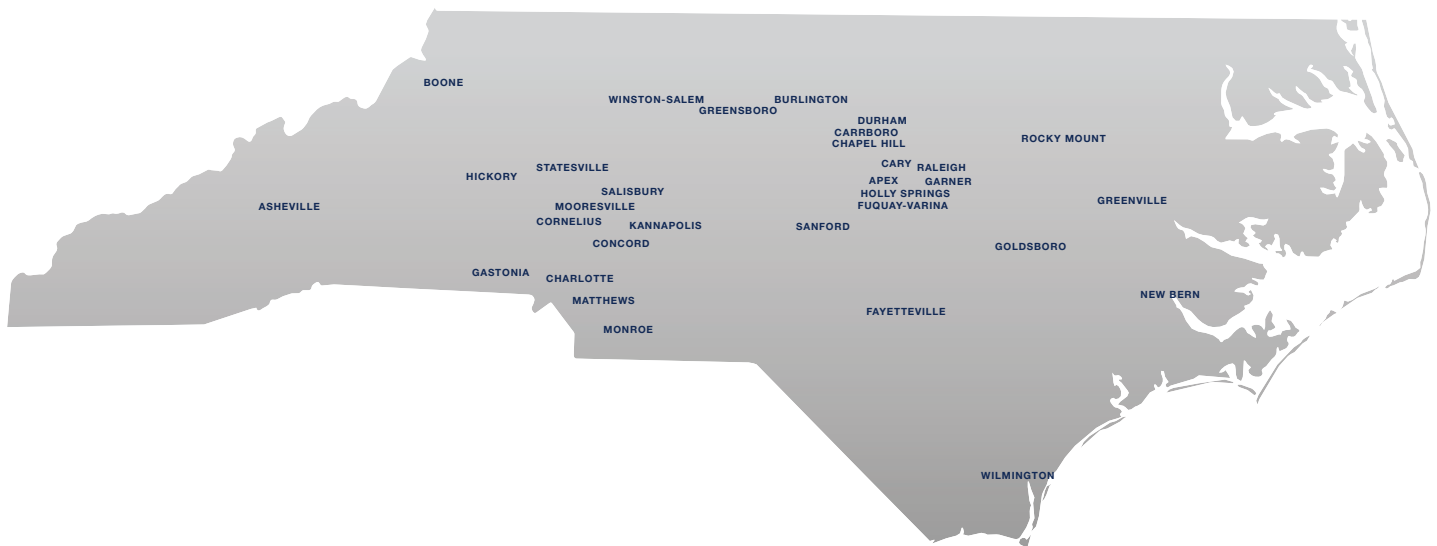

Using the voice of mayors to advance North Carolina

LEGISLATIVE AGENDA

- ★ Ensure the State of North Carolina and our local governments have the tools necessary to promote job creation.

- ★ Ensure cities have the revenues and revenue creation tools needed to provide the level of services and quality of life that residents desire.

- ★ Ensure cities have the statutory authority to develop communities in ways that will attract the talented workforce that brings high quality jobs.

The Metropolitan Mayors Coalition upholds the values of collaboration and consensus building. In all of its work, the Coalition seeks to speak with a bipartisan and united voice, inform and engage its members and serve as a resource on the issues facing metropolitan regions.
