Applying for Board/Commission (Enter One):	Urban Food Policy Council
What Board or Commission are you currently serving?	<i>Field not completed.</i>
Why are you interested in serving on that Board/Commission?	<p>Food insecurity is a major obstacle to social mobility. Being hungry and not knowing where your next meal will come from creates significant physical and mental health challenges. This serves as a major roadblock to academic and professional achievement. From personal experience, working 40 hours per week while raising a family can feel overwhelming. I can't begin to imagine how much harder it would be to do that on an empty stomach and with the stress of not knowing if you will be able to put food on the table for your family. That is a toll no one should bear.</p> <p>While we produce enough food to feed everyone, there are significant distribution challenges to solve in order to ensure complete food access. I'd love to invest my time and energy to help solve that problem for the underserved citizens of my community.</p>
