

City Council – Action Request Form

Date: November 8, 2021

To: Mayor, Mayor Pro Tempore, and Members of the City Council

From: Aaron King, Interim Assistant City Manager
Toneq' McCullough, Director of Transportation

Council Action Requested:

Resolution Awarding Purchase Order for Parking Meter Equipment

Strategic Focus Area: Quality Transportation
Strategic Objective: Improved Integrated Network
Strategic Plan Action Item: No
Key Work Item: No

Summary of Information:

The Public Works Committee approved a proposal from Department of Transportation staff to replace, expand and upgrade existing single space parking meters downtown. This will allow staff to implement a rate increase for on-street parking by replacing the single space mechanical meters internal components with programmable electronic mechanisms. The existing single space parking meters are made by POM Incorporated, the sole source provider.

The Department of Transportation requests approval to purchase parking meter equipment and parts from POM Incorporated, sole source provider, at a cost of \$87,985.50.
