**Council Action Requested:**

Resolution Authorizing the City Manager to enter into a Municipal Agreement with the North Carolina Department of Transportation for Sidewalk on Brewer Road. (South Ward)

**Strategic Focus Area:** Quality Transportation

**Strategic Objective:** Expand Bike/Sidewalk/Greenway Network

**Strategic Plan Action Item:** No

**Key Work Item:** No

**Summary of Information:**

The City of Winston-Salem plans to construct sidewalk along Brewer Road, from Buchanan Street to Clemmons Road. The total estimated cost of this project is \$3,044,000. On May 17, 2018, the Winston-Salem Urban Area Metropolitan Planning Organization Transportation Advisory Committee approved the use of \$2,435,000 in Surface Transportation Block Grant Direct Attributable (STBG-DA) funds for this project. Federal STBG-DA funds require a 20% local match; therefore, the City is required to provide \$609,000 in local matching funds.

The attached resolution authorizes the City Manager to enter into a municipal agreement with NCDOT, whereby the City will design and construct the project and NCDOT will reimburse the City for all eligible expenses, up to \$2,435,000. The City's local match of \$609,000 is available from 2023 LOBS, which has been previously appropriated by City Council.
