Strategic Plan Action Item: No

Summary of Information:

The City of Winston-Salem has plans to construct a sidewalk on Griffith Road from Burke Mill Road to Kimwell Drive. The total estimated cost of this project is \$1,888,875. On May 19, 2016, the Winston-Salem Urban Area Metropolitan Planning Organization Transportation Advisory Committee approved the use of \$1,511,100 in Surface Transportation Block Grant Direct Attributable (STBG-DA) funds for this project. Federal STBG-DA funds require a 20% local match; therefore, the City is required to provide \$377,775 in local matching funds.

The attached resolution authorizes the City Manager to enter into an agreement with the North Carolina Department of Transportation (NCDOT), whereby the City will design and construct the project and NCDOT will reimburse the city for all eligible project expenses, up to \$1,511,100. The City's local match of \$377,775 is available from 2014 Bond Funds which are already appropriated.
