Applying for

Public Arts Commission

What Board or Commission are you currently serving?

None

Why are you interested in serving?

I am interested in serving on the Public Art Commission to help facilitate how art can tell a city's story, highlight a neighborhood, help boost local

tourism, and foster a sense of belonging for residents. This is an exciting time for expanding definitions of public art to more experimental and temporary methods alongside more permanent sculpture projects. My background in art museums and in higher education in other towns and cities can provide a comparative lens for the Commission.
