Good Afternoon,

This is a written summary of our outreach efforts to the neighbors surrounding 929 Old Hollow Road informing them of the rezoning request.

On May 14, 2024, we mailed 49 letters to the property owners in the general area surrounding our property informing them of the proposed rezoning and asking them to contact us by May 31 if they had any questions or concerns to express. We heard back from 3 individuals who had questions about why we were having it rezoned and what was going to happen to the church property once it was rezoned. I answered the emails and returned the phone call responding to all their questions. I also reached out via email to Barbara Burke and Tamra Bradshaw-Sheller.

Please let me know if you have any questions or if anything else is needed. We look forward to the Planning Board meeting on June 13<sup>th</sup>.
