

City Council – Action Request Form

Date: February 8, 2021
To: Mayor, Mayor Pro Tempore, and Members of the City Council
From: Damon Dequenne, Assistant City Manager
Toneq’ McCullough, Director of Transportation

Council Action Requested:
Ordinance Designating On-Street Handicap Parking Space at 490 North Cleveland Avenue

Strategic Focus Area: Quality Transportation
Strategic Objective: Improve Integrated Road Network
Strategic Plan Action Item: No
Key Work Item: No

Summary of Information:

The Department of Transportation received a request from the resident at 490 North Cleveland Avenue to install an on-street handicap parking space. The resident provided proof of a valid handicap permit and met the requirements for a handicap parking space in Section 42-154 of the City Code. If approved, the handicap parking space will be re-evaluated every two years as required. The installation of a new curb ramp will not be required. Attached is a map of the proposed location of the handicap space.
