

DENIAL  
STATEMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN W-3440  
(WACHOVIA BANK, N.A.)

The proposed site plan amendment for Services, A in a GO-S zoning district is generally inconsistent with the recommendations of the *Legacy Comprehensive Plan* and the *North Suburban Area Plan Update (2013)*, in that the plans call for protecting views of natural landscapes that are important in establishing the visual character of the community. Therefore, denial of the request is reasonable and in the public interest, as the established vegetative screening along Silas Creek Parkway will be removed
