Summary of Information:

HUD announced that the annual Continuum of Care Notice of Funding Availability will be published by June, 2018 with applications due in August, 2018. The CoC Homeless Assistance programs are offered by HUD to address homelessness in local communities. The City of Winston-Salem coordinates the funding application each year for local agencies.

The funding estimated to be available from HUD is shown in Exhibit A. Existing projects may apply for renewal and expansion funding. New projects may be funded through reallocation or bonuses provided by HUD. Projects will be prioritized for funding by the CoC Rating Panel, reviewed by the CoC Operating Cabinet and approved by the Winston-Salem/Forsyth County Commission on Ending Homelessness. If there is insufficient funding to fund all projects, HUD will select projects and funding amounts. The City also administers the Homeless Management Information System (HMIS) for local agencies, which is required by HUD. CoC funds are included for operation of the HMIS.
