

City Council – Action Request Form

Date: August 9, 2021

To: Mayor, Mayor Pro Tempore, and Members of the City Council

From: Damon Dequenne, Assistant City Manager
Toneq' McCullough, Director of Transportation

Council Action Requested:

Resolution Authorizing the City Manager to Enter into Agreement with Creative Corridors Coalition to Fund a Portion of the Design for the Peter Oliver Park

Strategic Focus Area: Quality Transportation

Strategic Objective: No

Strategic Plan Action Item: No

Key Work Item: No

Summary of Information:

The Creative Corridors Coalition (CCC) has contracted with Hood Design for the design of the Peter Oliver Project. This project will highlight the Peter Oliver story and occupy available space south of the Strollway Land Bridge between Liberty Street and the Muse building. The CCC has requested financial assistance from the City to cover a portion of the design costs associated with the project. The design fee for services by Hood Design total \$136,000. The CCC has requested assistance in the amount of 25% of the total design fee.

This action would authorize the City Manager to enter into an agreement with The CCC for \$34,000. Funds are available from the sale of property related to the Business 40 project to cover this expense.
