## Monitoring

- FY22 Community Project Funding Appropriation / Parking Deck Lights Project (under HUD) – *The project is to add/replace lights in a parking deck. The project was endorsed by Congresswoman Manning and received funding in the FY22 appropriations bill.* – HUD requires funds to be obligated by 2027.
- FY23 Community Project Funding Appropriation / Runnymede Water Infrastructure Project (under EPA) – *The project is for water infrastructure improvements along and near Runnymede. The project was endorsed by Congresswoman Manning and received funding in the FY23 appropriations bill.* – EPA guidance for FY23 grants is available [here](#).
- USDOT RAISE Grant Program / Long Branch Trail Project ([DTOS59-22-RA-RAISE](#)) – *The City received a \$6 million grant for this project.* – USDOT requires funds to be spent by June 2028.

## FY24 Community Project Funding / Congressionally Directed Spending

- FY24 Community Project Funding (CPF) Request – *The City's Behavioral Evaluation and Response (BEAR) Team Expansion Project was submitted to the House Appropriations Committee by Congresswoman Manning and was included in the bill that passed the House Commerce, Justice and Science appropriations subcommittee. The bill is awaiting a vote by the full House. The City's request is funded at \$700,000 in the pending bill.* – Strategics is monitoring the FY24 appropriations process, which is ongoing.
