

RESOLUTION AUTHORIZING A CHANGE ORDER FOR ASPHALT PLANT MIX TESTING

WHEREAS, Atlantic Coast Engineering has been providing satisfactory engineering services testing asphalt materials on resurfacing projects managed by the Department of Transportation's Streets Division on projects since March 2015; and

WHEREAS, Atlantic Coast continues to provide services on the Ardmore Resurfacing project; and

WHEREAS, based on previous change orders, the current contract value is \$148,104.15.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Winston-Salem that an increase in the purchase order in the amount of \$7,500 is authorized to be the purchase order issued to Atlantic Coast Engineering to complete the additional asphalt testing needed.
