

Resolution #21-0574
2021 Resolution Book, Page 234

**RESOLUTION APPROVING THE CONSTRUCTION OF THE WAKE FOREST
ROWING SHED STRUCTURE AT SALEM LAKE MARINA**

WHEREAS, the Wake Forest University (WFU) Rowing Club was established and has called Salem Lake its home since 1998; and

WHEREAS, the rowing team has requested that a storage shed be placed on the property to house rowing boats and other equipment; and

WHEREAS, the structure will be set back from the lake on the far side of the parking lot; and

WHEREAS, this will create more space at the water's edge allowing for additional citizen kayak racks or increased views of Salem Lake; and

WHEREAS, the new storage structure will also allow for the removal of the older, unsightly, storage structures that are currently being used to store equipment; and

WHEREAS, the boat storage will allow WFU rowing boats to be stored inside, providing protection for their equipment; and

WHEREAS, the proposed area for construction is not utilized by Recreation and Parks and will create a cleaner and more organized aesthetic for the site; and

WHEREAS, overview of proposal: Installation of a 28' wide x 66' long carport style metal building (see attached documents from Cardinal Carports); and

WHEREAS, the storage building has also been approved by the Community Appearance Commission on May 26, 2021; and

WHEREAS, the project has support from the Recreation and Parks Commission at their October meeting; and

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City

**Winston-Salem City Council
APPROVED
October 18, 2021**

of Winston-Salem that the Recreation and Parks Department is hereby authorized to construct the Wake Forest Rowing Shed Structure at Salem Lake Marina.
