BOARD/COMMISSION APPLYING FOR (list one):

Humans Relations Commission

List the Board or Commission you currently serve and your term expiration date.

I do not currently serve on any board or commission for the city of Winston Salem.

Why are you interested in serving on the Board/Commission you are applying for?

I identify with the mission of the Human Relations commission, having incorporated the service of dismantling cultural barriers and building communities in my personal and professional careers. I would love to expound on my educational background and direct human service background to better serve and educate the city of Winston Salem.

Additionally, I acknowledge the Humans Relations commission versatility in its service, as it cooperates with various boards, such as the Youth Advisory Council. I find this is to be important considering "human relations" is a common concept that exists and is essential to the success of any other board and/or commission. Improving human relationships overall can contribute to the success of our great city.

Are you willing to serve on any other Board/Commission? Please list:

Citizen's Police Review Board, Recreation and Parks Commission, Ten Year Plan to End Chronic Homelessness

Are you interested in serving in any other community volunteer activities?

Yes, I am interested in serving in other community volunteer capacities.
