Sale or transfer of any Lot shall not affect any lien provided for in this Declaration. However, the sale or transfer of any Lot pursuant of mortgage foreclosure or any proceedings in lieu thereof, shall release said Lot as security for the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Release of a Lot as security for any lien described hereunder shall not extinguish the Lot Owner's personal liability for the debt secured thereby.

- (a) Until the last of the 43 dwelling units to be erected on the Lots shall have been built and conveyed, Declarant shall have the right to place dwellings and their appurtenant improvements upon the properties within the Lots. - (c) the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. (No such dedication or transfer shall be effective unless it has the assent of 60% of all the votes of the membership.)
- (d) the right of the Association to impose regulations for the use and enjoyment of the Common Area and improvements thereon which regulations may further restrict the use of the Common Area.

*J.A.S.*

## ARTICLE III. Membership and Voting Rights

Section 1. Every owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot.

Section 2. All members, with the exception of the Declarant, shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such person shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot for all members with the exception of the Declarant. The Declarant shall be entitled to three (3) votes for each Lot owned.

## ARTICLE IV. Covenant for Maintenance Assessments

Section 1. (a) Creation of the Lien and Personal Obligation of Assessments. Each owner of any Lot save and except for the Declarant by acceptance of a deed thereof, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

(b) Direct Assessments. Each Owner shall have the obligation to maintain and keep in good repair the improvements on this Lot, including the exterior walls of the dwelling house thereon, and any other exterior surfaces such as garden walls, carports or garages; as well as the Lot landscaping. If any Owner shall fail to properly comply with the provisions of this sub-section, and in the opinion of the Architectural Control Committee of the Association such failure impairs the aesthetic harmony of the Lake Park Subdivision, the Association may make demand upon such Owner to comply. In the event such Owner shall, after notice has been given, fail to take necessary steps to comply, the Association may proceed to remedy such Owner's default. Any expenses incurred by the Association for such purposes, including labor, materials and professional fees shall become a lien upon the Lot of such Owner, collectible as otherwise provided for herein. Amounts incurred in the foregoing manner shall be deemed "Direct Assessments", and shall be in addition to any other assessments herein provided for and shall be due immediately upon demand.

*J.A.P.*

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, security, safety and welfare of the residents in the Properties, and in particular for the acquisition, improvement and maintenance of properties, personnel, services and facilities devoted to this purpose and related to the security of Lake Park Subdivision, the yard and landscaping maintenance of the Common Area or for the use and enjoyment of the Common Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area, the procurement and maintenance of insurance related to the Common Area, its facilities and use in accordance with the By-laws, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Hundred Twenty Dollars (\$120.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 10% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 10% by a vote of two-thirds (2/3) of the votes of the membership who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessments shall have the assent of two-thirds (2/3) of the votes of the membership being voted in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 & 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast

sixty percent (60%) of all the votes of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and shall be collected on an annual basis save and except for Lots owned by the Declarant which shall not be subject to annual or special assessments.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The first (1st) payment of the annual assessment shall be due at the closing of the sale of a Lot and subsequent payments shall be made thereafter on the annual due date thereafter. The annual assessments provided for herein shall commence as to all Lots, save and except for Lots owned by the Declarant, on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessment: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate of interest permitted by law to be charged. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property and interest, court costs and reasonable attorney's fees of such actions or foreclosure shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the Assessments provided herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect any lien provided for in this Declaration. However, the sale or transfer of any Lot pursuant of mortgage foreclosure or any proceedings in lieu thereof, shall release said Lot as security for the lien of such assessment as to payments which became due prior to such sale or transfer. No

sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Release of a Lot as security for any lien described hereunder shall not extinguish the Lot Owner's personal liability for the debt secured thereby.

#### ARTICLE V. Architectural Control

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specification showing the nature, kind, shape, height, materials, and location of the same shall have been submitted in duplicate to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. After the payment of all expenses incurred by Lake Park Homeowners Association, Inc. the remaining balance of money shall be given to the Owner of said Lot.

No residence shall be erected on less than one Lot as shown on the recorded Plat. No Lot shall be subdivided except that any Lot may be subdivided and added to adjoining Lots, provided that
