## ion Agreement History

Notes
There are agenda minutes where an amended version of an agreement was approved by City Council in 2003; however, no signed ordinance is on file.
An updated ordinance was approved by City Council on 01/19/2016; however, there were no signatures recorded nor stamps registered with the Village/City.
The Village proposed a 20-year contract, effective 12/21/2015, that would expire on 12/21/2035. However, an agreement could not be located with both sets of signatures, and the City Attorney has confirmed that no executed version of the agreement exists.

There are signatures for an agreement with Midway (but no seal). No portion of the agreement is within Forsyth County, and there is no "Winston-Salem may not annex" boundary.
An updated ordinance was approved by City Council on 01/19/2016; however, there were no signatures recorded nor stamps registered with the Town/City.
The Town proposed a 20-year contract, effective 12/21/2015, that would expire on 12/21/2035. However, an agreement could not be located with both sets of signatures, and the City Attorney has confirmed that no executed version of the agreement exists.
