This Recognition was presented by the Winston-Salem Fire Chief, Trey Mayo.

The Fire Department has a 14 member team that go out and help in other areas during hurricanes and other disasters. They left on Monday (after making sure our city was safe) and went to Wilmington first. They were able to work with other teams and people to help rescue and help those who may need help. They were able to assist many people in the Eastern area of the State.

Chief Mayo also showed a video of a very intense obstacle course competition involving some of our Fire and rescue personnel. They won top awards for the State.

They were congratulated by the Committee.
