

DENIAL
STATEMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN
UDO CLEARCODE TEXT AMENDMENT CC-9

The proposed UDO Text Amendment CC-9 (“Text Amendment”) is generally inconsistent with the recommendations of the *Legacy Comprehensive Plan* in that the plan recommends comprehensively improving and clarifying local land use regulations and the UDO. Therefore, denial of the Text Amendment is reasonable and in the public interest because the proposed amendment only clarifies one existing regulation (definition of supervisory personnel), without comprehensively evaluating and improving related regulations.
