From:	Angela I. Carmon, City Attorr	angela I. Carmon, City Attorney		
Council Action Requested:				
Adoption of an Ordinance Amending Chapter 38 Entitled "Miscellaneous Offenses and Provisions"				
Summary of Information:				
The legislature recently amended state laws pertaining to guns on school property. Based upon changes in the state law, the city code provisions relating to guns on school property are obsolete and no longer enforceable. To avoid confusion and minimize the possibility of police enforcing an ordinance not in compliance with state law, it is recommended that council adopt the revised ordinance which deletes all references to school property, where required.
