- We currently have 28 LEBA certified officers
- WSPD recently hosted the most recent LEBA instructor course. This 6-day course included officers throughout the U.S. and Canada.
- D4 will continue to build the Auxiliary Bike Patrol to supplement on-duty personnel

# BUILDING FOR THE FUTURE

- Current staffing includes the following:
  - 24 Officers/Corporals
  - 4 Sergeants
  - 2 Lieutenants
  - 1 Captain
- As staffing increases, so will the number of officers assigned to D4

# BUILDING FOR THE FUTURE

- In September 2025, the District 4 boundaries were adjusted to include the entirety of West End (marked on the map in purple).
- In exchange for the additional area to District 4, the southernmost area (marked in green) was added to District 3.
- The workload hours were equal for these areas.
