SUBJECT: RUCA Projects
CC: Lee D. Garrity, City Manager

This item was considered at the November 18, 2013 Finance Committee meeting and the November 19, 2013 Community Development/Housing/General Government Committee meeting. Both Committees chose to separate the two items and consider them individually. As a result, the financial assistance for Southeast Plaza Shopping Center RUCA was recommended for approval by both committees, and the Ogburn Station RUCA is being held in committees until additional information can be provided. At this point, all references to approval only refer to the Southeast Plaza Shopping Center RUCA. A revised budget amendment is attached for your approval.
